## THANKS FOR VISITING THE HISTORIC ARTCRAFT THEATRE

Built in 1922 as a silent movie theater and Vaudeville house, the Artcraft Theatre was built complete with an orchestra pit and full stage with dressing rooms below. It was renovated in

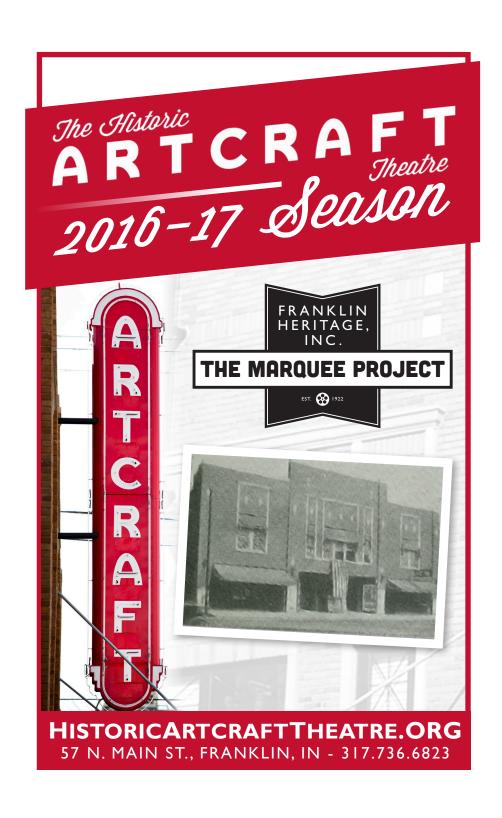

1936 when Trueman Rembusch purchased the building and again in 1948 when the classic

Art Deco streamlining and neon were added. The Artcraft Theatre was purchased by Franklin Heritage, Inc in 2004 and has been undergoing renovations since. The Historic Artcraft Theatre operates on a mostly volunteer basis with revenue from movies and events being used to further its restoration and preservation.

All film times and dates are subject to change. For the most up-to-date schedule visit: HistoricArtcraftTheatre.org
